

## Mandatory Quake Covenant

We promise to commit to the following for a fun and safe weekend.

- In all we do at this youth event, we keep this in mind: God is present and we represent God and the church to everyone around us.
- We agree that all those present with our group (youth, junior guides and adult leaders) are considered participants.
- We agree to be part of all scheduled activities at the event in conjunction with our group leader.
- For our own safety, we will make sure that our adult leaders know where we are at all times. We will not leave the Quake hotel without our leader's permission. We will not leave our hotel rooms alone.
- We understand that illegal activity, including underage drinking by event participants is prohibited both on and offsite during the event. (Quake also encourages adult leaders to follow the example of Quake staff and abstain from consuming alcohol during the event.)
- We agree that we will have at least one adult leader onsite with our group throughout the duration of the event.
- We will report any illness or personal emergency to our group leader. If we cannot find our group leader or need additional help, we will go to a Quake host or the hotel's front desk for assistance.
- We understand that in the case of property damage at the hotel, we are responsible for reporting the damage and paying for any replacement or repair of damaged items. Quake is not responsible for these costs and will work with the hotel to ensure that the proper people are held responsible.
- We agree to be quiet and inside our own rooms during the listed curfew times (unless we are with an adult leader and are quiet).
- We agree to have adult supervision in hotel rooms when mixed genders are present.
- We agree to adhere to a dress code that is modest and appropriate. Should questions arise regarding modesty and appropriateness, the Quake host will make the final decision.
- We permit Quake to take pictures and use them for promotional purposes.
- We agree not to do anything that would jeopardize the enjoyment or safety of others.
- We agree to abide by the guidelines stated above and to help each other keep this covenant.
- If we break the covenant, we accept the consequences decided by our group leader or Quake.
- We understand that Quake reserves the right to refuse anyone whose behavior is dangerous or questionable from participating in Quake programs.

## ADULT WORKSHOPS

	BLUE	ORANGE	YELLOW
<b>Untangling the Bullying Mess</b> <i>Kathy Lamb</i> Are you finding yourself frustrated and under equipped to deal with the bullying you hear about from your kids and in your community? Participants will receive training in identifying, stopping, and preventing behaviors that do not create safe environments for students.	Tundra EF		

<b>Relaxation Station</b> <i>Bob Lenz</i> Need a place to relax, have a snack, connect with other youth leaders, or have a conversation with Bob Lenz-founder and President of Life Promotions? Walk in anytime 2-4 pm. We look forward to meeting you!		6015	6015

## JUNIOR GUIDES

	BLUE	ORANGE	YELLOW
<b>Your Piece or His Peace</b> <i>Pilar Martinez</i> Calling junior guides and all high school students! Pastels and neons, grapes and spaghetti, splinters and clouds, tranquility and chaos. You're right, these things don't go together! Come join us for games, activities, and some good 'ole chatting as we dig deeper into what Jesus' idea of what peace really looks like!		Sandstone 45 *HS Only	

<b>The End First</b> <i>Pilar Martinez</i> Junior guides and high school students, we don't know about you, but it would be a lot easier to watch a scary movie if we knew who was going to pop out of the nearest corner. And perhaps we wouldn't be so scared to climb a tree if we knew we would be able to climb down without breaking our faces. Bring yourselves to our second session to see why knowing the ending can change everything.			Sandstone 45 *HS Only

## MIDDLE SCHOOL & HIGH SCHOOL WORKSHOPS

	BLUE	ORANGE	YELLOW
<b>The Mystery Session</b> <i>Echelon</i> Echelon is motivated by their faith in Christ, but sometimes with faith, you get more questions than answers! Learn about this band's journey and bring questions of your own. Music, religion, friends, food, and family; we'll see what the Bible has to say! This session is called the "Mystery Session" because you create this session by the questions you ask.	Tundra BCD	Tundra BCD	

<b>Pop, Lock, &amp; Praise</b> <i>Becca Volden</i> Praising God can be done in many ways, singing, praying and/or dancing! Yes, even hip-hop dancing! Come learn what the Bible says about how we can praise God through dance. Yes, we will be dancing!	Sandstone 3		Sandstone 3
--	-------------	--	-------------

<b>Fear- The Silent Killer</b> <i>Jeff Krause</i> This is NOT a lecture. We will rock out, relax, and talk about the danger of, and solution to, fear. Everyone is challenged by fear; some people never break free from fear. We will learn how to not miss out on the extraordinary life God intends for us.	Glacier		Glacier
--	---------	--	---------

<b>Media and the Mind</b> <i>Chuck Towns</i> Music. Television. Movies. The Internet. All are forms of media. All contain messages. Some are positive. Some are not. How do we sort it out?	Ballroom		
---	----------	--	--

<b>Food Packaging Service Project</b> <i>Kelly &amp; Bruce Volden</i> We will package emergency meals that will be used locally and abroad, and learn about world hunger. Be a part of making a difference in disaster relief and world hunger.	Sandstone 89	Sandstone 89	Sandstone 89
---	--------------	--------------	--------------

<b>Untangling the Bullying Mess</b> <i>Kathy Lamb</i> Have you or someone you know been a victim of bullying? Do you wish there was something you could do about the bullying in your community? Come to this interactive, hands on workshop to start conversation on how to create a revolution. Be equipped on how to bring a Dignity Revolution to your school!		Tundra EF	Tundra EF
--	--	-----------	-----------

<b>Dismantling Stereotypes &amp; Power</b> <i>Danielle Tietjen</i> Seeing isn't knowing and knowing isn't understanding. We tend to put people in boxes and keep them there. What if we looked below the surface and found our humanity? What if we looked at the things that bring us together instead of tear us apart? We need tools to help us navigate the judgements we make on others, and the ones we place on ourselves. This is an interactive workshop where everyone has a voice and everybody gets to participate.
