

Mandatory Quake Covenant

We promise to commit to the following for a fun and safe weekend.

- In all we do at this youth event, we keep this in mind: God is present and we represent God and the church to everyone around us.
- We agree that all those present with our group (youth, junior guides and adult leaders) are considered participants.
- We agree to be part of all scheduled activities at the event in conjunction with our group leader.
- For our own safety, we will make sure that our adult leaders know where we are at all times. We will not leave the Quake hotel without our leader's permission. We will not leave our hotel rooms alone.
- We understand that illegal activity, including underage drinking by event participants is prohibited both on and offsite during the event. (Quake also encourages adult leaders to follow the example of Quake staff and abstain from consuming alcohol during the event.)
- We agree that we will have at least one adult leader onsite with our group throughout the duration of the event.
- We will report any illness or personal emergency to our group leader. If we cannot find our group leader or need additional help, we will go to a Quake host or the hotel's front desk for assistance.
- We understand that in the case of property damage at the hotel, we are responsible for reporting the damage and paying for any replacement or repair of damaged items. Quake is not responsible for these costs and will work with the hotel to ensure that the proper people are held responsible.
- We agree to be quiet and inside our own rooms during the listed curfew times (unless we are with an adult leader and are quiet).
- We agree to have adult supervision in hotel rooms when mixed genders are present.
- We agree to adhere to a dress code that is modest and appropriate. Should questions arise regarding modesty and appropriateness, the Quake host will make the final decision.
- We permit Quake to take pictures and use them for promotional purposes.
- We agree not to do anything that would jeopardize the enjoyment or safety of others.
- We agree to abide by the guidelines stated above and to help each other keep this covenant.
- If we break the covenant, we accept the consequences decided by our group leader or Quake.
- We understand that Quake reserves the right to refuse anyone whose behavior is dangerous or questionable from participating in Quake programs.

Leadership II: The End First <i>Lucas Tuttle</i> Junior guides and high school students, we don't know about you, but it would be a lot easier to watch a scary movie if we knew who was going to pop out of the nearest corner. And perhaps we wouldn't be so scared to climb a tree if we knew we would be able to climb down without breaking our faces. Bring yourselves to our second session to see why knowing the ending can change everything.			Red Oak *HS Only
