## NOTES:

## MIDDLE SCHOOL & HIGH SCHOOL WORKSHOPS

**Identity in Christ** | **Courtney Corrente** | (Cedar)  

Do you ever question your identity? Do you ever struggle to answer the question: "Who am I?" Come dive into the Word and communal discussion to learn who Christ is and how it reveals who we are.

**Partner with Orphan Grain Train to Help Those in Need!** | **The Awaken Project/Steve Ellwein** | (Birch)   

Be part of something big! Help package meals that will be used locally and abroad to aid in disaster relief and help combat world hunger. This year's project is organized through Orphan Grain Train. International meals will be sent to Ukraine. **Note: Masks are encouraged but not required. Quake will provide them if you do not have one and would like one.**

**Let's Go Change the World!** | **Scott Stoutenburg; Destiny Rescue** | (Oak)   

Imagine a world where every child is free. Where kids get to be kids. Where kids get to be rescued, set free, and loved. Now imagine you get to play a role in making that a reality. Right now, more than an estimated one-million children are being exploited by the commercial sex trade across the globe. Learn how you can help abolish one of the fastest-growing injustices in the world. Hear from a representative of Destiny Rescue, an organization that has rescued thousands of survivors and arrested hundreds of perpetrators. Let's change the world! **PLEASE NOTE: Sensitive topics and information will be discussed that may be disturbing for some participants.**

**The Cool Factor** | **Wes Halula** | (Cypress AB/Cedar)  

People are gaming, watching videos and movies...we're making our own movies...more than any time in history. We live on our devices! Who is talking to us through our screens? What are they saying? And why are they saying it?

**God, Games and Geekery 4.0: Clip That Chat! Clip It!** | **Lem Fillyaw** | (Maple)  

We'll watch game and movie clips and relate them back to scripture and this year's Re:Ignite theme.

**Family Matters** | **Steven Wagner; The Awaken Project** | (Osage)   

Jesus' family history contains fascinating stories and testimonies of how God approaches family dynamics in the Bible. When taking a closer look at the people who came before Jesus in his earthly family, we see a perfect God working through imperfect people; sound familiar? Come see how God might also be working in your family.

**Stump the Band** | **100 White Flags** | (Cypress AB)  

100 White Flags is more than just music...we are engineers, mathematicians, youth leaders, and so much more! We've been around and know some stuff. Why is the sky blue? Why are the days shorter in the winter? How many licks does it take to get to the center of a Tootsie Pop? Why does the water go down the drain backwards in Australia? What does God have to say about life? Do you have burning questions that you've always wanted to ask? Come ask them in a safe space where your questions will be anonymous. See you soon!
