Middle School Workshops

Sharing the Gospel at School | Beth Dorsing | (Tundra AB) 

Come hang out with Beth Dorsing, a public school teacher, to find out how YOU can start a Bible Study or Christian club at your school. We will talk about what makes a Christian group successful, what the laws and rules are for involving teachers who want to help, and some resources that can help students start a student-led Bible study at school. We want you to leave this workshop feeling equipped to bring Jesus and the Gospel to your school! Adults and youth are both welcome to attend.

Faithful Friendships | Courtney Corrente | (Glacier C) 

Friendships are important. In fact, God designed us to want them! Yet, friendships can be complicated. So let's explore how Jesus gives us the perfect model of friendship and how to apply it to our life as we build healthy relationships with those around us!

Camp Timber-Lee | Rebecca De Luca | (Tundra F) 

Psalms 33:11 says "God's plans stand firm and the purposes of His heart go through all generations; God has a plan and we are all called to fulfill it in unity."

Middle School Workshops

Faith in the Field | Lynn Stoneking | (Glacier A) 

Where is our faith rooted and our foundation laid in the moments of "real life"? Come for a conversation as we chat about recognizing God's presence in our everyday lives/experiences with Lynn and friends.

How to Live the Best Life Ever | Jeff Krause | (Glacier D) 

Even though I believed in Jesus, I lived a life that looked more like wanting to die. I found myself asking God "Why?". One day, God gave me a crystal-clear response. I then began to live; I finally began to breathe. Come hear what God said, and why it transformed my life. I might even bring my chainsaw. 😊

Media and the Mind | Chuck Towns | (Sandstone 7) 

Music. Television. Movies. The internet. All are forms of media. All contain messages. Some are positive. Some are not. Join Chuck Towns on a fast paced, interactive exploration of the influence of today's media on our minds. His contagious enthusiasm & hilarious analogies teach us how to make good, biblical choices. Chuck is a 30+ year veteran of the music industry and loves to interact with teens.

Partner With Orphan Grain Train to Help Those in Need | The Awaken Project | (Sandstone 1) 

Be part of something big! Help package meals that will be used locally and abroad to aid in disaster relief and help combat world hunger. Meals packaged at Quake will be sent to South Sudan, Ukraine, Haiti, Liberia, and disaster areas around the world hit by fires, hurricanes, tornadoes, etc...including the United States.

Let's Go Change the World | Destiny Rescue: Jared Ballenger | (Tundra C) 

Imagine a world where every child is free. Where kids get to be kids. Where kids are rescued, set free, and loved. Now imagine you get to play a role in making that a reality. Right now, more than an estimated one million children are being exploited in the commercial sex trade across the globe. Learn how you can help abolish one of the fastest-growing injustices in the world. Hear from a representative from Destiny Rescue, an organization that has rescued thousands of survivors and arrested hundreds of perpetrators. Let's change the world! *PLEASE NOTE: Sensitive topics and information will be discussed that may be disturbing for some participants.*

If You're Breathing, You Are Fabulous! | Kris Bakke | (Sandstone 6) 

Unleash your creative beast and take a close look at what God's breath does for us and our community. If you like to draw, you will love this workshop!

Holy Wellness | Steven Wagner | (Tundra E) 

Much of our faith lives focus on strengthening our spirit and souls, as it should, but our faith also requires a healthy and holy understanding of our bodies. After all, the Bible refers to our bodies as temples. In this workshop, we're going to take some time to exercise our bodies (be prepared for some light/moderate physical activity), as well as discuss why our bodies are just as important as our spirits and souls to our faith in Jesus.

Bring it to the Cross | Amanda Carmen | (Sandstone 5) 

Prepare to have fun as you learn how Jesus is here to help. You will create a cross of your own to carry as a reminder that you don't have to do everything on your own!

God, Games, & Geekery V: What Does it All Meme? | Lem Fillyaw | (Sandstone 4) 

Memes are a huge part of our lives but how does God speak to us through them? More importantly, how can we use them to encourage the spiritual growth of others? Streamer and Lead Community Manager Bad Gamer Elite (AKA Lem) believes it's not as hard as you might think.
