Middle School & High School Workshops

Discovering Your Call | [Pastor Jeff Morlock](#) | (Owl Overlook)

Do you want to spend your life doing something meaningful and fun? Come learn what it means to be called by God. We want to help you figure out God's will for what to do with your life.

Declaration of Dependence | [The Junker Georges](#) | (Wood Duck Pond)

As Americans, we value our independence but what happens when our political priorities don't match with God's plan for our lives? Bring your Bibles and find out how TRUE freedom requires dependence on God.

God's Calling You. Now What Are You Supposed To Do? | [Terrence Tally](#) | (Hawks Ridge)

We've all heard that God has a calling for us all. For some you may not know it yet, for others you may not know what to do about it. Either way, we may all have questions about it. Terrence wants to help you work through that by looking at certain Biblical characters while also applying that with real world application. We may not be able to answer every question but we can all be encouraged and pointed toward the answer.

Enter the Shepherd Tent (Cross-Cultural Experience) | [Emily](#), [World Mission Prayer League](#) | (Cardinal Perch)

Join Emily from World Mission Prayer League who spent 10 years with her family in the mountains of India. You will enter the culture where she served (chai included!) Learn from the shepherd culture about how to welcome people and also how to think about the Good Shepherd.

Sharing the Gospel at School | [Beth Dorsing](#) | (Mallard Point)

Come hang out with Beth Dorsing, a public school teacher, to find out how YOU can start a Bible Study or Christian club at your school. We will talk about what makes a Christian group successful, what the laws and rules are for involving teachers who want to help, and some resources that can help students start a student-led Bible study at school. We want you to leave this workshop feeling equipped to bring Jesus and the Gospel to your school! Adults and youth are both welcome to attend.

Middle School & High School Workshops

Holy Wellness | [Steven Wagner](#) | (White Pelican Bay)

Much of our faith lives focus on strengthening our spirit and souls, as it should, but our faith also requires a healthy and holy understanding of our bodies. After all, the Bible refers to our bodies as temples. In this workshop, we're going to take some time to exercise our bodies (be prepared for some light/moderate physical activity), as well as discuss why our bodies are just as important as our spirits and souls to our faith in Jesus.

God, Games, & Geekery V: What Does it All Meme? | [Lem Fillyaw](#) | (Eagles Nest)

Memes are a huge part of our lives but how does God speak to us through them? More importantly, how can we use them to encourage the spiritual growth of others? Streamer and Lead Community Manager Bad Gamer Elite (AKA Lem) believes it's not as hard as you might think.

Partner With Orphan Grain Train to Help Those in Need | [The Awaken Project](#) | (MN I)

Be part of something big! Help package meals that will be used locally and abroad to aid in disaster relief and help combat world hunger. Meals packaged at Quake will be sent to South Sudan, Ukraine, Haiti, Liberia, and disaster areas around the world hit by fires, hurricanes, tornadoes, etc...including the United States.
