ADULT WORKSHOPS

Youth Leader Round Table | Lucas Tuttle | (Eagles Nest)

Whether you are new to youth ministry or have been leading for years, let's take some time this week-end to come together and share. What has worked well for you? What are you struggling with? Come share some stories, ideas and support each other, as we continue to lead our young people on their faith journeys in this ever-challenging world in which we live. You are the leaders in this session so come prepared to share and learn!

3-2-1- Contact | Pastor Vicki Epper | (Mallard Point)

Connecting with youth & families can be as easy as 1-2-3. Relational ministry is key to any youth ministry but can be overlooked with busy schedules. Learn 3 sustainable ways to connect & grow genuine relationships with your youth & families. Watch the community of faith grow & flourish through small moments of connection.

WORKSHOPS

Production 101 | The Production Boys | (MN II-IV)

Would you like to learn how to get started working on the production team at your church? Get some tips with hands on media, mixing and lighting!

God, Games & Geekery 6.0: The RPG Adventure | Lem Fillyaw | (Eagles Nest)

The geeky community loves a good RPG ("role-playing game"). So do we! Do you have ENOUGH to defeat the big bad? Work together with your fellow adventurers to have some fun and possibly learn a lesson or two along the way.

Healthy Leadership: Worth the Work! |

Steven Wagner, The Awaken Project | (Owl Overlook)

(Recommended for High Schoolers Only) One of the most important qualities of a leader is that they are healthy. In other words, they are people who steward their lives, and more importantly the lives of others, with great care. And guess what? Jesus, the world's best leader, was SUCH a great leader because he cared for his people, and himself, perfectly! In this workshop, we'll learn from Jesus how we are called to lead in our schools, at Quake, at church, and anywhere else we find ourselves. Come hang out with the Director of The Awaken Project and see what makes a healthy leader, who is cut out for leadership, why character formation is so crucial, and what leadership looks like for young adults who have taken a year to focus on their relationship with Jesus. See you soon!

WORKSHOPS

Jesus and Mental Health | Steven Wagner, The Awaken Project | (Owl Overlook)

Have you ever wondered what Jesus might say about the subject of mental health? Come hear Steven's personal experience, join an open dialogue, and bring your open heart.

The Mystery Session | Echelon | (Hawk's Ridge)

Spend some time chilling with Echelon. Bring your questions, answers and everything in between. We will have fun tossing around the mysteries of life such as why John went bald at such an early age!

Prayer Experiments | Amy Niemann | (Mallard Point)

God invites us into ongoing conversation. In this session, we will discuss what that may look like and even try some creative ways to connect with our Creator, including a "stained glass" prayer and a "secret code" prayer.

Singing Scriptures Through Songs | The Awaken Project | (Cardinal Perch)

Have you ever wondered where Christian artists get their lyrics for songs and hymns? Then this is the perfect workshop for you! We'll dive into the Bible to find out where lyrics for some well known worship songs come from. Not only will this be a fun time of being in God's Word, we'll have a competition with Kahoot!

Partner with Orphan Grain Train to Help Those in Need!

The Awaken Project | (MN I)

Be part of something big! Help package meals that will be used locally and abroad to aid in disaster relief and help combat world hunger. Meals packaged at Quake will be sent to South Sudan, Ukraine, Haiti, Liberia, and disaster areas around the world hit by fires, hurricanes, tornadoes, etc... including the United States.

Playing with Purpose | Dave Gunnlaugsson | (White Pelican Bay)

Have you ever asked the question "Why?" Wondered why things happen the way they do? Come join Packer Dave as he works through some of the hard questions through games, conversation, laughter, and more questions. God is in it all! Come prepared to be challenged, encouraged, pushed, prayed for, and hopefully leave with a deeper understanding of where God is in all your questions.

SEE YOU NEXT YEAR!
