ADULT WORKSHOPS

Kids at the Crossroads | **Bill Yonker** | (Oak)

God gave youth the vitality and vigor for heroism but for many of our young people, they have been deceived to strive for hedonism (pleasure at all costs). Looking at how this happened, what can be done about it and how we can help young people will both give purpose to young people as well as keep them from living lives of quiet desperation. It will also strengthen ourselves and the community in which we live.

Youth Leader Round Table | **Lucas Tuttle, Director of Quake** | (Redbud C)

Whether you are new to youth ministry or have been leading for years, let's take some time this week-end to come together and share. What has worked well for you? What are you struggling with? Come share some stories, ideas and support each other, as we continue to lead our young people on their faith journeys in this ever-challenging world in which we live. You are the leaders in this session so come prepared to share and learn!

MIDDLE SCHOOL & HIGH SCHOOL WORKSHOPS

Production 101 | **The Production Boys** | (Cypress AB)

Would you like to learn how to get started working on the production team at your church? Get some tips with hands on media, mixing and lighting!

G3: Anchored to Your Hotbar | **Lem Fillyaw** | (Redbud C)

Just like we equip abilities to survive in our games, we need to equip Scripture in our hearts so we are ready when temptation or pressure shows up in our lives.

Leadership: Spot the Difference! |

Steven Wagner, Director, The Awaken Project | (Osage)

It's easy to point out bad leadership, full stop. No matter where we find ourselves in the world, we can usually point out poor leadership choices, behaviors, and patterns when we see them. On the other hand, can we recognize high quality leadership when it is in front of us or around us? Join Steven in discerning what high quality, Christ-minded leadership looks like in others and ourselves. Be ready for plenty of group participation in this workshop!

The Mystery Session | **Echelon** | (Walnut)

Spend some time chilling with Echelon. Bring your questions, answers and everything in between. We will have fun tossing around the mysteries of life such as why John went bald at such an early age!

Choose Your Own Adventure! | **The Awaken Project** | (Cedar)

Come to this workshop and take up the role of adventurer! With God as your anchor, you will help restore light to a dark and corrupted land, as you hold fast to Him! There will be trials, strategic planning, and a lot of decision making, as you work in teams.

Partner with Orphan Grain Train to Help Those in Need! |

The Awaken Project | (Birch)

Be part of something big! Help package meals that will be used locally and abroad to aid in disaster relief and help combat world hunger. Meals packaged at Quake will be sent to South Sudan, Ukraine, Haiti, Liberia, and disaster areas around the world hit by fires, hurricanes, tornadoes, etc... including the United States.

A R.I.S.K. Worth Taking | **Bill Yonker** | (Oak)

Because so many young people are suffering from anxiety, fear, loneliness and a sense of hopelessness, there needs to be help, encouragement, comfort, strength and peace which can be offered. We know all those things are found in knowing, following and trusting Jesus. Young people can best help other young people by taking the risk in sharing their faith and helping others to not just know about, but truly know Jesus.
