

Media Kit

This Media Kit has been created to help you promote Quake to your youth, parents, and church. We have included tools and resources for you to promote the way you want to, from posters to hang around your church to images you can post on social media. We want to help get you and your youth excited for 2020 Quake!

EVENT POSTER Use this poster to promote the Quake event you are attending. Location, dates and entertainment have been filled in for you. Please add any additional information in the blank area for your youth/church (examples: cost, departure time, contact person, etc.) so you can properly register at QuakeEvent.com!

EVENT FLYERS Use these flyers to hand out to youth. Like the poster, location, dates and entertainment have been filled in for you. Please add any additional information in the blank area for your youth/church so you can properly register at QuakeEvent.com!

PRE-MADE SOCIAL MEDIA IMAGES Use these pre-made images to post on social media. When you post anything about Quake, please tag us and use our hashtags. #QuakeEvents #OurGodisMOREthanenough

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen."
Ephesians 3:20-21
