ADULT LEADER WORKSHOPS

Youth Leader Round Table | Sarah Vogel | (Tundra E)

Whether you are new to youth ministry or have been leading for years, let's take some time this weekend to come together and share. What has worked well for you? What are you struggling with? Come share some stories, ideas and support each other, as we continue to lead our young people on their faith journeys in this ever-challenging world in which we live. You are the leaders in this session so come prepared to share and learn!

Mission Ready: Preparing for Impact with Spoke Folk

| Ryan Veil, Spoke Folk Director | (Tundra F)

This interactive workshop is designed for youth leaders planning summer mission trips. In small groups, participants will share valuable tips, tricks, and trends for organizing impactful mission experiences. You'll also get to hear about a unique mission opportunity that combines discipleship training, cycling, worship, and community outreach to transform lives.

MIDDLE SCHOOL WORKSHOPS

God, Games & Geekery 6.0: The RPG Adventure | **Lem Fillyaw** | **(Tundra F)**

The geeky community loves a good RPG ("role-playing game"). So do we! Do you have ENOUGH to defeat the big bad? Work together with your fellow adventurers to have some fun and possibly learn a lesson or two along the way.

Jesus & Mental Health | **Steven Wagner, The Awaken Project** | **(Glacier A)**

Have you ever wondered what Jesus might say about the subject of mental health? Come hear Steven Wagner's personal experience, join an open dialogue, and bring your open heart.

Stump the Band | **100 White Flags** | **(Tundra BCD)**

100 White Flags is more than just music...we are engineers, mathematicians, youth leaders, and so much more! We've been around and know some stuff. Why is the sky blue? Why are the days shorter in the winter? How many licks does it take to get to the center of a Tootsie Pop? Why does water go down the drain backwards in Australia? What does God have to say about life? Do you have burning questions that you've always wanted to ask? Come ask them in a safe space where your questions will be anonymous. See you soon!

Fortress! | **Amy Niemann** | **(Glacier B)**

Learn how God provides enough shelter and refuge as we walk through the ups and downs of life. We'll spend time in God's Word, small group conversation, and prayer.

Bring It To The Cross | **Amanda Carman** | **(Wilderness 4)**

With life comes struggles many times we may not know how to handle them. Come create a reminder for yourself that Jesus is Enough and that we don't have to do this alone.

ENOUGH Because of Christ! | **Jeff Krause** | **(Glacier D)**

Do you feel good enough, smart enough, kind enough, skilled enough and on and on? If you're anything like me, you DON'T! However, when I place my trust in Christ and find my identity in Him, I am so much more than enough and walk in complete peace without fear. And, in Him, I'm certainly good enough to dance with my chainsaw for you!

What's Your Word? ENOUGH? | **Kris Bakke** | **(Wilderness 1)**

This session will be CREATIVE, FUN & INSIGHTFUL! How's that for three cool words? Let's talk about how words inspire, motivate, and make an impact on us. And of course, we will connect it to the Author of all words, our Triune God.

Tok Talk | **Wes Halula** | **(Sandstone)**

Social Media is a massive part of our lives. It can be a lot of fun. And it can cause anxiety. We'll talk through how society has gotten here and where it's going. And we'll think about how we can use Social Media without letting it use us.

MIDDLE SCHOOL WORKSHOPS

Singing Scriptures Through Songs | [The Awaken Project](#) | (Glacier C)

Have you ever wondered where Christian artists get their lyrics for songs and hymns? Then this is the perfect workshop for you! We'll dive into the Bible to find out where lyrics for some well known worship songs come from. Not only will this be a fun time of being in God's Word, we'll have a competition with Kahoot!

Partner with Orphan Grain Train to Help Those in Need!

| [The Awaken Project](#) | (Wilderness 5)

Be part of something big! Help package meals that will be used locally and abroad to aid in disaster relief and help combat world hunger. Meals packaged at Quake will be sent to South Sudan, Ukraine, Haiti, Liberia, and disaster areas around the world hit by fires, hurricanes, tornadoes, etc...including the United States.

Trusting God in Everyday Life | [Stephanie Stevens](#) | (Tundra A)

What does it mean to REALLY trust God? Why is it so difficult sometimes? Life can feel overwhelming with school, friendships, family challenges and future uncertainties but God invites us to trust Him even when things don't make sense. Through real-life stories and discussion, in this interactive and engaging session, students will explore these questions and more. Come learn how to trust God in all circumstances.

HIGH SCHOOL WORKSHOPS

Healthy Leadership: Worth the Work!

| [Steven Wagner, The Awaken Project](#) | (Glacier A)

One of the most important qualities of a leader is that they are healthy. In other words, they are people who steward their lives, and more importantly the lives of others, with great care. And guess what? Jesus, the world's best leader, was SUCH a great leader because he cared for his people, and himself, perfectly! In this workshop, we'll learn from Jesus how we are called to lead in our schools, at Quake, at church, and anywhere else we find ourselves. Come hang out with the Director of The Awaken Project and see what makes a healthy leader, who is cut out for leadership, why character formation is so crucial, and what leadership looks like for young adults who have taken a year to focus on their relationship with Jesus. See you soon!

Jesus & Mental Health | [Steven Wagner, The Awaken Project](#) | (Glacier A)

Have you ever wondered what Jesus might say about the subject of mental health? Come hear Steven Wagner's personal experience, join an open dialogue, and bring your open heart.

Production 101 | [The Production Boys](#) | (Sandstone)

Would you like to learn how to get started working on the production team at your church? Get some tips with hands on media, mixing and lighting!
