ADULT LEADER WORKSHOPS

Youth Leader Round Table | Lucas Tuttle, Director of Quake | (Maple) 

Whether you are new to youth ministry or have been leading for years, let's take some time this weekend to come together and share. What has worked well for you? What are you struggling with? Come share some stories, ideas and support each other, as we continue to lead our young people on their faith journeys in this ever-challenging world in which we live. You are the leaders in this session so come prepared to share and learn!

MIDDLE SCHOOL & HIGH SCHOOL WORKSHOPS

God, Games & Geekery 6.0: The RPG Adventure | **Lem Fillyaw** | **(Redbud C)**

The geeky community loves a good RPG ("role-playing game"). So do we! Do have ENOUGH to defeat the big bad? Work together with your fellow adventurers to have some fun and possibly learn a lesson or two along the way.

Healthy Leadership: Worth the Work!

| **Steven Wagner, The Awaken Project** | **(Osage)** 

(Recommended for high schoolers only) One of the most important qualities of a leader is that they are healthy. In other words, they are people who steward their lives, and more importantly the lives of others, with great care. And guess what? Jesus, the world's best leader, was SUCH a great leader because he cared for his people, and himself, perfectly! In this workshop, we'll learn from Jesus for how we are called to lead in our schools, at Quake, at church, and anywhere else we find ourselves. Come hang out with the Director of The Awaken Project and see what makes a healthy leader, who is cut out for leadership, why character formation is so crucial, and what leadership looks like for young adults who have taken a year to focus on their relationship with Jesus. See you soon!

Jesus & Mental Health | **Steven Wagner, The Awaken Project** | **(Osage)**

Have you ever wondered what Jesus might say about the subject of mental health? Come hear Steven Wagner's personal experience, join an open dialogue, and bring your open heart.

The Declaration of Dependence | **The Junker Georges** | **(Walnut)**

As Americans, we value our independence but what happens when our political priorities don't match with God's plan for our lives? Bring your Bibles and find out how TRUE freedom requires dependence on God.

Production 101 | **The Production Boys** | **(Cypress AB)**

How to get started working on the production team at your church. Get some tips with hands on media, mixing and lighting!

MIDDLE SCHOOL & HIGH SCHOOL WORKSHOPS

Living Tech-Wise | Gabe Kasper | (Cedar)

Technology is inescapable. From our phones to our computers to video games and TV, we all use it every day. Technology is a tool we can use, but often, technology uses us and shapes us in ways we may not even notice. How can we use technology wisely? In this workshop, we'll root ourselves in Biblical wisdom to help us navigate our digital age.

Singing Scriptures Through Songs | The Awaken Project (Oak)

Have you ever wondered where Christian artists get their lyrics for songs and hymns? Then this is the perfect workshop for you! We'll dive into the Bible to find out where lyrics for some well known worship songs come from. Not only will this be a fun time of being in God's Word, we'll have a competition with Kahoot!

Partner with Orphan Grain Train to Help Those in Need!

| The Awaken Project | (Birch)

Be part of something big! Help package meals that will be used locally and abroad to aid in disaster relief and help combat world hunger. Meals packaged at Quake will be sent to South Sudan, Ukraine, Haiti, Liberia, and disaster areas around the world hit by fires, hurricanes, tornadoes, etc...including the United States.

SEE YOU NEXT YEAR!
