Holy Wellness | [Steven Wagner](#) | (Robinson)

Much of our faith lives focus on strengthening our spirit and souls, as it should, but our faith also requires a healthy and holy understanding of our bodies. After all, the Bible refers to our bodies as temples. In this workshop, we're going to take some time to exercise our bodies (be prepared for some light/moderate physical activity), as well as discuss why our bodies are just as important as our spirits and souls to our faith in Jesus.
