## ADULT WORKSHOPS

**Youth Leader Round Table | Lucas Tuttle, Director of Quake | (Findlay)**

Whether you are new to youth ministry or have been leading for years, let's take some time this week-end to come together and share. What has worked well for you? What are you struggling with? Come share some stories, ideas and support each other, as we continue to lead our young people on their faith journeys in this ever-challenging world in which we live. You are the leaders in this session so come prepared to share and learn!

## MIDDLE SCHOOL & HIGH SCHOOL WORKSHOPS

**G3: Anchored to Your Hotbar | Lem Fillyaw | (Findlay)**

Just like we equip abilities to survive in our games, we need to equip Scripture in our hearts so we are ready when temptation or pressure shows up in our lives.

**Leadership: Spot the Difference! |**

**Steven Wagner, Director, The Awaken Project | (Coraopolis)**

It's easy to point out bad leadership, full stop. No matter where we find ourselves in the world, we can usually point out poor leadership choices, behaviors, and patterns when we see them. On the other hand, can we recognize high quality leadership when it is in front of us or around us? Join Steven in discerning what high quality, Christ-minded leadership looks like in others and ourselves. Be ready for plenty of group participation in this workshop!

**Production 101 | The Production Boys | (Grand Ballroom)**

Would you like to learn how to get started working on the production team at your church? Get some tips with hands on media, mixing and lighting!

**Q&A with the Scally Brothers | The Scally Brothers | (Ohio)**

The Scally Brothers will spend time answering fun questions, serious questions and more!

**Keeping Your Faith After You Graduate | Gabe Kasper | (Grand Ballroom)**

It's one thing to go to church when your parents make you, but what about when you're on your own? What does your faith look like then? In this workshop, we'll look at how we can best follow Jesus after high school.

**Called and Equipped! | Kayla McFadden | (Allegheny)**

Join us as we talk about practical ways to share the Gospel! The Gospel means "Good News" and we are so excited to share it! Aren't we? Jesus came for all of us to offer us eternal life! That's huge! Right? But sometimes it can be hard to bring it up, or maybe you're not sure what to include... Let's talk about it and some fun ways we can incorporate sharing our faith into our daily lives!

**Choose Your Own Adventure! | The Awaken Project | (Moon)**

Come to this workshop and take up the role of adventurer! With God as your anchor, you will help restore light to a dark and corrupted land, as you hold fast to Him! There will be trials, strategic planning, and a lot of decision making, as you work in teams.

**Partner with Orphan Grain Train to Help Those in Need! |**

**The Awaken Project | (Robinson)**

Be part of something big! Help package meals that will be used locally and abroad to aid in disaster relief and help combat world hunger. Meals packaged at Quake will be sent to South Sudan, Ukraine, Haiti, Liberia, and disaster areas around the world hit by fires, hurricanes, tornadoes, etc... including the United States.

**Drifting Isn't An Accident | Cam Warba | (Monongahela)**

No one plans to drift away from God, it just happens. This workshop tells the story of a student who looked strong, confident, and successful, but was quietly sinking. What happened next will surprise you. You'll learn why we desperately need Jesus and how staying anchored to Him can save us when life feels overwhelming. If you want something real, not fake, not filtered, this workshop is for you.
