ADULT WORKSHOPS

Youth Leader Round Table | **Lucas Tuttle, Director of Quake** | (Athens)

Whether you are new to youth ministry or have been leading for years, let's take some time this week-end to come together and share. What has worked well for you? What are you struggling with? Come share some stories, ideas and support each other, as we continue to lead our young people on their faith journeys in this ever-challenging world in which we live. You are the leaders in this session so come prepared to share and learn!

The Counter-Culture Sabbath | **Travis Hartjen** | (Ferrara/Florence)

Let's take a look at what it means to live life from rest, rather than exhaustion.

MIDDLE SCHOOL & HIGH SCHOOL WORKSHOPS

G3: Anchored to Your Hotbar | **Lem Fillyaw** | (NPP)

Just like we equip abilities to survive in our games, we need to equip Scripture in our hearts so we are ready when temptation or pressure shows up in our lives.

Production 101 | **The Production Boys** | (Ferrara/Florence)

Would you like to learn how to get started working on the production team at your church? Get some tips with hands on media, mixing and lighting!

Stump the Band | **100 White Flags** | (Athens)

Is the Bible real? What does God say about _____? Why is the sky blue? Collectively, 100 White Flags has over 100 years in ministry, degrees in math, engineering, art and education and life experiences that have taken them all over the world. Bring your questions and curiosity and ask any question in a totally anonymous setting.

Mercy Timelines & Anchor Moments | **Kristen Cooley** | (Rome III)

When life doesn't look how we think it should, remembering what God has done before can help anchor us in faith that He will once again make sense of the madness. We're not lost; we're not behind; we are secure in Him and His mercy timeline.

Aliens & Angels: The Spiritual Reality We Live In | **Travis Hartjen** | (Ferrara/Florence)

A quick overview of the spiritual world we see throughout Scripture.

Choose Your Own Adventure | **The Awaken Project** | (Rome I)

Come to this workshop and take up the role of adventurer! With God as your anchor, you will help restore light to a dark and corrupted land, as you hold fast to Him! There will be trials, strategic planning, and a lot of decision making, as you work in teams.

Partner with Orphan Grain Train to Help Those in Need! | **The Awaken Project** | (Venice)

Be part of something big! Help package meals that will be used locally and abroad to aid in disaster relief and help combat world hunger. Meals packaged at Quake will be sent to South Sudan, Ukraine, Haiti, Liberia, and disaster areas around the world hit by fires, hurricanes, tornadoes, etc... including the United States.
