## ADULT WORKSHOPS

### The Crossroads of Geeky and Faith | Lem Fillyaw | (Lake Delton Boardroom)

How do we meet our youth where their passions are and help them truly see what God is saying to them in those moments? Come join Bad Gamer Elite in this open forum discussion and learn more about this special ministry to youth. Let's share our successes and challenges, as we seek to connect with youth on their level and in their language.

### Youth Leader Round Table | Ken Vogel | (Lake Delton Boardroom)

Whether you are new to youth ministry or have been leading for years, let's take some time this week-end to come together and share. What has worked well for you? What are you struggling with? Come share some stories, ideas, and support each other as we continue to lead our young people on their faith journeys in this ever-challenging world in which we live. You are the leaders in this session so come prepared to share and learn!

### A Greenhouse Testimony | Trevor Wersal | (Lake Delton Boardroom)

Join Trevor for stories and discussion about various young adult ministry opportunities, as well as hear a shared testimony of a young person pursuing a call to ministry.

## MIDDLE SCHOOL WORKSHOPS

### Choose Your Own Adventure! | The Awaken Project | (Glacier C)

Come to this workshop and take up the role of adventurer! With God as your anchor, you will help restore light to a dark and corrupted land, as you hold fast to Him! There will be trials, strategic planning, and a lot of decision making, as you work in teams.

### Leadership: Spot the Difference! | Steven Wagner, The Awaken Project | (Glacier A)

It's easy to point out bad leadership, full stop. No matter where we find ourselves in the world, we can usually point out poor leadership choices, behaviors, and patterns when we see them. On the other hand, can we recognize high quality leadership when it is in front of us or around us? Join Steven in discerning what high quality, Christ-minded leadership looks like in others and ourselves. Be ready for plenty of group participation in this workshop!

### Playing with Purpose | Dave Gunnlaugsson | (Wilderness 4)

Have you ever asked, "Why?" Or wondered why things happen the way they do? Come join Packer Dave as he works through some of the hard questions through games, conversation, laughter, and more questions. God is in it all! Come prepared to be challenged, encouraged, pushed, prayed for, and hopefully leave with a deeper understanding of where God is in all your questions.

### The Declaration of Dependence | The Junker Georges | (Sandstone (Soundboard Side))

As Americans, we value our independence but what happens when our political priorities don't match with God's plan for our lives? Bring your Bibles and find out how TRUE freedom requires dependence on God.

### Worshipping Through Music | Clara Niemann | (Tundra A)

This session is all about worship music. Not only will we dive into discussion, but we will also play a fun Kahoot where we spend time in God's Word to find Scripture that is used in worship music. There may even be some singing at the end. Don't forget to bring your Bible!

### Production 101 | The Production Boys | (Sandstone)

Would you like to learn how to get started working on the production team at your church? Get some tips with hands on media, mixing and lighting!

### Partner with Orphan Grain Train to Help Those in Need! |

#### The Awaken Project | (Wilderness 5)

Be part of something big! Help package meals that will be used locally and abroad to aid in disaster relief and help combat world hunger. Meals packaged at Quake will be sent to South Sudan, Ukraine, Haiti, Liberia, and disaster areas around the world hit by fires, hurricanes, tornadoes, etc... including the United States.

### G:3 Anchored to Your Hotbar | Lem Fillyaw | (Tundra F)

Just like we equip abilities to survive in our games, we need to equip Scripture in our hearts so we are ready when temptation or pressure shows up in our lives.

### Anchored in the Promises | Amy Niemann | (Glacier A)

Feeling lost? Guilty? Joyful? Weak? Fruitful? We'll spend time in God's Word and in prayer to learn how God's promises meet you exactly where you are.

### Drift Detectives | Caroline Shafer | (Wilderness 1)

Become "detectives" in this interactive workshop and help uncover the ways our faith can drift without us even noticing. We will explore how everyday distractions, busyness, doubt, and outside influences can pull us "off course" and how we can equip ourselves with practical, meaningful tools to stay anchored in Christ and grounded in our faith—no matter what season of life we are in!

### Who Are You REALLY? | Jeff Krause | (Glacier D)

Ever feel like you're performing just to belong and still coming up short? This workshop gets real about the pressure to fit in, the voices that mess with your identity, and why trying harder never fixes it. Come discover how being anchored in Christ by grace, not effort, brings freedom, confidence, and peace right now, not something you have to earn.

## MIDDLE SCHOOL WORKSHOPS

### The Body of Christ | Beth Dorsing | (Glacier B)

Do you ever feel like you have nothing to offer? Do you wonder how you fit into God's kingdom? This interactive workshop features games and an obstacle course to illustrate how we all fit together to form the Body of Christ.

### Trusting God in Everyday Life | Stephanie Stevens | (Tundra E)

What does it mean to REALLY trust God? Why is it so difficult sometimes? Life can feel overwhelming with school, friendships, family challenges and future uncertainties but God invites us to trust Him even when things don't make sense. Through real-life stories and discussion, in this interactive and engaging session, students will explore these questions and more. Come learn how to trust God in all circumstances.

### Get Your Game Face On! | Ryan Gens | (Tundra BCD)

In 1 Corinthians 12, Paul teaches us about the Body of Christ. Just like in every game, every player has a unique role, different strengths, and a shared goal. When one person tries to do it all, the team struggles but when everyone works together encouraging one another and plays their part, the whole group thrives. Come to this high energy workshop, get your game face on and let's see how this plays out in real life!

### Experiential Prayer | Jennifer Miller/Lucas Tuttle | (Woodland Boardroom)

In the First letter to the Thessalonians, the Apostle Paul instructs us to pray without ceasing. Prayer can be a powerful tool! God hears our prayers and answers. Come be a part of the positive change prayer can bring about in this experiential prayer workshop, where you will journey through a variety of self-guided prayer stations. Let's take some time to be still and know that God is listening.

### Tackling the Tough Ones | Lloyd Garrelts | (Sandstone 9 Corridor) (Sandstone Ballroom (Main Stage Side))

Let's talk about some tough issues and where we as Christians should stand on those issues. It can be easy to avoid tough topics, but this workshop takes them head-on. We'll discuss some of the critical issues in today's world and look to God's Word for guidance on how to tackle the tough ones! Adults are encouraged to attend with their youth!
